

Statistical Summary of Section 112(j) Applicability Determination Requests

Breakdown of Section 112(j) Applicability Determination Requests

126 companies requested at least one applicability determination comprising
283 source category specific applicability determination requests and covering
35 affected source categories.

Number of Companies that Requested an Applicability Determination (Listed by Source Category)

Source Category	Count
Auto and Light Duty Truck Manufacturing (Surface Coating)	2
Brick and Structural Clay Products Manufacturing (also includes Clay Minerals Processing)	4
Cellulose Production Manufacturing	1
Clay Ceramics Manufacturing (split from Brick & Structural Clay Products)	1
Coke Oven, Pushing, Quenching, & Battery Stacks	1
Combustion Turbines	5
Engine Test Cells/Standards (Combined with Rocket Testing Facilities)	6
Fabric Printing, Coating, & Dyeing	1
Flexible Polyurethane Foam Fabrication Operations	6
Friction Products Manufacturing	1
Generic MACT (portions only)	1
Industrial, Commercial, & Institutional Boilers and Process Heaters	73
Integrated Iron & Steel	4
Iron & Steel Foundries	5
Large Appliance (Surface Coating)	1
Metal Can (Surface Coating) Industry	2
Metal Coil (Surface Coating) Industry	2
Metal Furniture (Surface Coating)	2
Miscellaneous Coating Manufacturing (split from the MON)	7
Miscellaneous Metal Parts & Products (Surface Coating) Including Asphalt/Coal Tar Application to Metal Pipes	34

Number of Companies that Requested an Applicability Determination (Listed by Source Category)

Source Category	Count
Miscellaneous Organic Chemical Production & Processes (MON)	5
Municipal Solid Waste Landfills	4
Organic Liquids Distribution, Non-gasoline	8
Paint Stripping Operations	8
Paper & Other Web (Surface Coating)	5
Petroleum Refineries	1
Plastic Parts (Surface Coating)	25
Plywood and Composite Wood Products (formerly Plywood and Particle Board Manufacturing)	4
Polyvinyl Chloride and Copolymers Production	1
Reciprocating Internal Combustion Engines (RICE)	18
Refractory Products Manufacturing (formerly Chromium Refractories)	1
Reinforced Plastics Composites Production	16
Site Remediation	12
Unspecified - All Source Categories	7
Wood Building Products (Surface Coating) (formerly Flat Wood Paneling)	10
